National Library Card Sign Up Month

This September, Huron Public Library invites you to celebrate Library Card Sign-Up Month. Discover how a single card can open the door to endless opportunities. From free classes and job resources to streaming media and cultural events, today's libraries connect communities to information, inspiration, and each other.

This year's theme, "One Card, Endless Possibilities," is a reminder that libraries are for everyone—no matter your age, background, or goals. Whether you're diving into a new hobby, searching for your next great read, brushing up on tech skills, or helping your child succeed in school, it all starts with a library card.

For the month of September, get a replacement HPL card for FREE with our new logo. First time kindergarten cardholders receive a VIP bag in September when they sign up. There will also be a bulletin board featuring library cards from around the U.S. Finally, a drawing will be held that patrons can win just by checking items out in person at Huron Public Library. Come celebrate at the Library.

The Friends of Huron Public Library Media Lab & Huron Beacon Podcast

HPL is proud to announce The Huron Beacon Podcast was selected as the winner of the Ohio Library Council's Library Innovation Award.
